FABIAN GARCIA, RONALD N.

SUMMARY

I am a Software and Systems graduate from the SISE Institute, with a comprehensive career of more than 5 years in the industry. Proficient in all facets of Systems delivery, my professional journey has encompassed roles in both frontend and backend development, culminating in my current position as a Specialist in mobile application development with Flutter. I am deeply motivated, consistently striving to enhance my skill set, eager to acquire new knowledge, and resolutely dedicated to achieving my goals, both in my personal and professional endeavors.
